ICOFFEEHUB.COM · THE COFFEE MARKETPLACE

iCoffeeHub

Everything about coffee, one global hub.

FROM FARM TO CUP

Trace every bean back to its origin

A global marketplace that connects coffee lovers directly with farms and roasters.

Every bag carries a story you can follow, from the hillside where it grew to the roaster who brought it out. All of it built to help you find your next favorite cup.

QUALITY FIRST

Sellers you can trust

Reviewed first

Every seller is reviewed before they can list a single bag.

Side by side

Farms and roasters sell together, so you choose straight from the source.

ON EVERY LABEL

Freshness and origin on every bag

Roast date

Shown on every bag, so you know exactly how fresh it is.

Farm, altitude, process

Listed for each coffee, so origin is never a guess.

YOUR TASTE, YOUR PICKS

Picks matched to your taste

1

Take the quiz

A short quiz on roast, body and flavor.

2

Get your picks

Personalized picks from the AI coffee assistant.

3

Facts stay facts

Recommendations stay separate from the listing facts.

Suggestions guide you. The bag details always speak for themselves.

THE COFFEE ENCYCLOPEDIA

Learn as you sip

Pour a cup and dig in. The encyclopedia explains what you are tasting.

- Specialty coffee
- Arabica vs Robusta
- Ethiopian coffee
- Colombian coffee

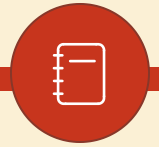

FOR ROASTERS

Tools that help roasters grow

Track inventory

Keep green coffee stock in view.

Log every roast

A record of each batch, ready to repeat.

Open a storefront

Sell straight to coffee lovers on the platform.
